Модел : 942-000031

Logitech G Extreme 3D Pro Joystick, Twist Rudder Control, 12 Programmable Buttons, 8-Way Hat Switch

Х-ка 1: With advanced controls and a twist-handle rudder, this joystick stays stable and precise through a acrobatic dogfight or a long-range strike

Х-ка 2: 12 programmable buttons (Some profile settings require Logitech Gaming Software)

Х-ка 3: 8-way hat switch - Quickly and easily switch from points of view to weapons and more—the 8-way hat switch is designed to accurately capture specialized input specific to flight sims.

Х-ка 4: Rapid-fire trigger - Pull the Extreme 3D Pro trigger as fast as you want or need, confident that every twitch of your finger will be captured without missing a beat.

Х-ка 5: Comfortable hand grip - Fly one more mission or take down more enemies in comfort, even after hours of action. Sculpted curves support and form to your hand for hours of comfortable flying.

Х-ка 6: Stable, weighted base

Х-ка 7: Package Contents: Joystick, User documentation
