Genesis Gaming Combo Set 4In1 Cobalt 300 Keyboard + Mouse + Headphones + Mousepad, Yu Layout

Предназначен за: Настолни компютри

X-ка 1: Cobalt 300 is an ideal combo pack for those players, who are beginning their incredible gaming journey and are in need of a solid keyboard, mouse, headphones, and a mouse pad.

X-ка 2: What should a good gaming membrane keyboard have? Anti-ghosting, of course. The keyboard from the Cobalt 300 set enables the user to perform a combo of 19, simultaneously pressed, keys.

X-ка 3: The mouse is equipped with a precise optical sensor and the ability to select one of four sensitivity levels of up to 3200 DPI. The ergonomic design of the mouse facilitates comfortable grip, so the device is great for long hours in front of the screen.

X-ка 4: The Cobalt 300 headphones boast large, 40mm transducers, which guarantee ideal sound. The headset is equipped with an elastic, sensitive microphone that complements the set perfectly.

X-ка 5: The anti-slipping bottom layer of the pad provides appropriate traction, so that it won't move on the desk during dynamic mouse movement.
