Designed for PS4™ content creators, NACON has developed the perfect product for recording and streaming. Its highly accurate sound capture reproduces voices in crystal-clear detail.

Featuring cardioid technology, NACON'S PS4™ Streaming Microphone boasts directional recording to ensure background noise is ignored. It also integrates an analogue-to-digital converter (ADC) with 16bit/48khz resolution to support all connections.

Its elegant and understated design with blue backlighting fits naturally into any setup. The NACON PS4™ Streaming Microphone includes a sturdy metal tripod and a windscreen to block ambient noise.
