Модел: NSG-2158

Genesis Headphone Earpads Toron EP01 Hybrid

Предназначен за: Слушалки X-ка 2: Material: Protein leather

X-ка 3: Say hello to the Genesis Toron EP01 - hybrid earcups created for the Genesis Toron 531 and 301 headsets, which will allow you to not only refresh the look of your headphones when needed, but also gain the best features of leather-like earcups.

X-ка 4: Made of soft memory foam that adapts to the shape of your head. Their top layer made of soft material guarantees maximum comfort in contact with your skin, while the leather-like material placed on the sides will help isolate the noise.

X-ка 5: Unlike full-textile earcups that smooth out the bass, the hybrid counterparts will enhance the low end, tailoring the sound to your own preference.
