Genesis Gamepad Charger Tin 300 for PS5 console

Предназначен за: Конзоли

Х-ка 2: Meet the GENESIS Tin 300 - a charger compatible with the standard version of the PS5 console , with which you can easily replenish the DualSense and DualSense Edge gamepads.

Х-ка 3: This compact charger is easy to use. All you have to do is plug it into the console's USB-C port, unfold it and place your controller on it. The charging process will start automatically.

Х-ка 4: We created the GENESIS Tin 300 with comfort and safety in mind. Its distinctive grooves and shape make both DualSense and DualSense Edge gamepads rest fully stable on it.

Х-ка 5: Not using the charger? You don't need to unplug it from your console's port. All you need to do is fold it with a flick of the wrist. This will save you time and protect your console and charger from accidental damage.

Х-ка 6: Classic black and white color scheme and a subtle accent in the form of the brand's logo. GENESIS Tin 300 is a model that you can easily match with your console.
