Genesis Gamepad Charger Tin 305 for PS5 console

Предназначен за: Конзоли

X-ка 2: Meet GENESIS Tin 305 - a charger compatible with the PS5 console Slim version with which you can easily replenish the DualSense and DualSense Edge gamepads.

X-ка 3: This compact charger is easy to use. All you have to do is plug it into the console's USB-C port, unfold it and place your controller on it. The charging process will start automatically.

X-ка 4: GENESIS Tin 305 was created with user comfort and safety in mind. Its distinctive grooves and shape make both DualSense and DualSense Edge gamepads rest fully stable on it. With GENESIS Tin 305, charging is not only easier, but also safer.

X-ка 5: Not using the charger? You don't need to unplug it from your console's port. All you need to do is fold it with a flick of the wrist. This will save you time and protect your console and charger from accidental damage.

X-ка 6: Classic black and white color scheme and a subtle accent in the form of the brand's logo. GENESIS Tin 305 is a model that you can easily match with your console.
